## Welcome from the Chief Executive Officer

Dear Candidate,

I am delighted that you are interested in our vacancy at Devonshire Primary Academy. This post is an exciting opportunity to join a team who are dedicated to driving continual improvement.

We hope that you will share our interest in improving education and our passion for making a difference so that together we can ensure the Trust functions effectively and efficiently.

The entire Trust staff, including the Central Team, are energetic and enthusiastic about our academies and college. We work with many children who are disadvantaged, either through deprivation or because of additional needs causing barriers to learning. We therefore welcome opportunities to work collaboratively together, maximising skills and available resources to make an even greater difference to all our learners and their families.

The Sea View Trust is an inclusive Multi Academy Trust (MAT), currently comprised of three primary academies and two special schools, together with Valley College (a post-16 specialist institution). The Trust supports circa 520 staff and in excess of 2,100 students.

We are ambitious with our plans and we are proud to announce that The Sea View Trust will be opening two custom built free schools within the Blackpool area following the successful bid in the most recent wave announced by the DfE. The new SEMH free school and Medical free school will be well planned and cater to the needs of our children.

I do hope the information contained within this application pack will be useful to you and will inspire you to apply. Meanwhile, I would like to thank you once again for expressing an interest in our vacancy. I very much look forward to receiving your application.

Yours sincerely,

Angela Holdsworth MBE  
CEO Sea View Trust

# Overview of Devonshire Primary Academy

Devonshire Primary Academy is a two-form-entry primary school situated at the heart of an area of economic and social deprivation in a densely populated part of Blackpool.

Our school comprises two buildings: the largest, built in 2005, is home to our youngest children in Preschool, Early Years Foundation Stage and Years 1 to 4; and the smallest, built in 2003, caters for our oldest children in Years 5 and 6. The location of our school means that our outdoor space is limited, but we definitely make the most of what we have and are proud of our allotment, miniature garden, playground markings, multi-use games area and trim trail. Preschool and EYFS pupils also enjoy access to their own outdoor learning areas and the first-floor play deck boasts a pirate ship play area for Year 1 pupils.

At Devonshire, every child is valued and treated as an individual. We place a strong emphasis on providing a secure, caring, and welcoming environment where everyone can take pride in themselves and strive for the highest standards of learning, behaviour, and attitudes. Our six core values of honesty, collaboration, integrity, resilience, respect, and pride are woven into the fabric of our school, guiding all aspects of school life. We strive to instil these values in our children, not just for their time at school, but for life.

We have high expectations of every child and ensure that barriers preventing these expectations are identified and addressed. We believe that serving a disadvantaged community should not restrict children and our personal development passport ensures that children access experiences, trips and visits that enhance their cultural capital. In an ever-changing world, it is crucial to understand and demonstrate the fundamental British Values, which are built into our bespoke curriculum and regularly appear in our assemblies.

At Devonshire, we take pride in our nurturing approach. We strive to build strong relationships with our families from the beginning of their school journey, understanding that effective collaboration between families and schools is key to a child's success. Our pastoral team works hard to support children and their families in all aspects of life. We have a hard-working, committed staff team that is passionate about the continued success of our school. Staff workload and wellbeing is taken seriously and we aim to do all we can to look after our team. A staff wellbeing group meet half-termly; the group is comprised of a number of job roles to ensure all voices are represented. The wellbeing team have also created a document entitled, '50 Ways We Support Wellbeing' and this details the ways in which the school prioritises the wellbeing of its staff, including access to an online CPD library, access to wellbeing and medical assistance through a staff absence insurance scheme, annual flu injections, a termly staff social event, termly bacon sandwiches and much more!

Our dedicated staff and governors work together to make Devonshire Primary Academy the best environment for everyone to achieve and become **'the best that we can be'**.

# The Sea View Trust

In Blackpool in September 2013, Anchorsholme Primary, Devonshire Primary and Park Community School (Special) converted to academy status and formed the Blackpool Multi-Academy Trust (BMAT). The Trust then welcomed Revoe Learning Academy a short time after.

Meanwhile, in Rossendale, Tor View School (Special) converted to academy status in January 2017, to form The View Trust, a Multi-Academy Trust with one school. This status afforded more autonomy and thus enabled the Trust to open a specialist post-16 institution (SPI), a wholly owned subsidiary known as Valley College.

In November 2019, The Sea View Trust was established, borne as a result of a merger between BMAT and the equally successful View Trust. The academies and college now all benefit from a unique relationship that has developed between the schools, and the Trust is particularly proud of its 'Sponsor' status.

Each academy within the Trust currently has a dedicated Academy Business Lead and Finance Lead to manage the day-to-day academy requirements. The Central Team of Trust employees work across all the academies and college, leading on performance, compliance, operational and financial efficiencies, governance, development, and Trust growth. The Central Team also work across the other areas of the organisation.

Embrace Teaching School Hub is led by Tor View School and The Sea View Trust and serves South and West Lancashire. It is a centre of excellence for teacher training and professional development and works closely with schools across Chorley, Fylde, South Ribble, and West Lancashire to implement the DfE's Recruitment and Retention Strategy through the delivery of the 'Golden Thread' of programmes, dedicated to supporting teachers throughout their career.

Embrace SCITT are a school-led consortium of teacher training providers and experts from across Lancashire and the North West, working as one with schools and Trusts across the North West to train exceptional teachers in the Primary, Secondary and Special sectors. We are proud to announce that Embrace SCITT has successfully completed its readiness to deliver checks.

The Sea View Trust is a partnership, working together with a shared ethos, common values and collective goals. There is no 'lead' in our Trust, but instead a collaborative approach that fosters autonomy in each school, whilst being supported by a clear framework. This approach ensures that each school can retain its own unique identity, drawing on support when required, whilst sharing its particular strengths across the wider Trust.

With the support of a strong Board, The Sea View Trust is committed to each entity, providing an inspirational education which allows all pupils and students to realise their full potential, both as learners and as citizens. This is achieved through excellent teaching, learning and development opportunities and it is mirrored in our Trust Vision and Values.

# Our Academies

## Anchorsholme Academy

is a large 3 form entry primary school located in the north of Blackpool. The school currently has over 600 children on roll. Although in an area of less social deprivation than other Trust schools located closer to the centre of Blackpool, the school still has about 19% of its pupils in receipt of free school meals and approximately 12% of children are on the Special Educational Needs Register. English as an additional language numbers (EAL) are very low at less than 2%.

Pupil mobility is low and most children who start at the school complete their primary education at Anchorsholme. Pupil attendance is good and usually above the national attendance average.

Anchorsholme is fortunate to have an ICT suite and extensive IT provision across the school, a Music/Recording Studio, a green screen area for video production and a purpose-built Library and many other spaces that support and extend learning. The school also has extensive grounds which include sports facilities, wildlife areas and planting and growing areas.

## Park Community Academy

is a Special school located in South/Central Blackpool and occupies 2 sites, the main school being on Whitegate Drive and Sixth Form provision located in the Oracle Building in South Shore. Pupils who attend PCA have a wide range of learning needs including moderate to severe learning difficulties, complex learning difficulties associated with Autistic Spectrum Conditions and speech and language difficulties, sensory impairment, some complex medical needs and varying degrees of social, emotional and behavioural needs associated with their Special Educational Needs and Disability.

All of the children and young people have an Education, Health and Care Plan. PCA caters for pupils aged between 2 and 19. The pupils have access to a broad and balanced curriculum, adapted to meet the needs of each individual. In addition to gaining language, mathematical, scientific, technological, artistic, and physical skills, the aim is for children to build confidence, develop self-reliance, learn to make decisions, and develop the ability to express feelings and ideas. The school maintained its Outstanding judgement in its October 2023 Ofsted Inspection.

## Revoe Learning Academy

is located in central Blackpool, in an area of high deprivation. The school has its own nursery and a specialist SEND unit – The Learning Garden which can accommodate up to 12 children who have an EHCP. In 2023/24, in conjunction with Blackpool Council, a specialist EYFS SEND unit was opened in the school catering for up to 8 children.

Revoe has high levels of pupil mobility. The percentage of children in receipt of free school meals, with SEND support or with English as an additional language are all classed as well above the national average. Pupil base deprivation and school location deprivation are well above the national average with 95% of the children classed as living in the most deprived area nationally using a range of multiple deprivation measures.

RLA pride themselves on their highly successful, purposeful, multi-disciplinary partnerships with agencies (and Poppy, the Therapy Dog) which have real impact on enhancing the children's life chances and developing staff's knowledge and expertise, so they can be the best that they can be.

# Our Academies

## Tor View School

is located in Rossendale, East Lancashire and is closely located to Valley College and the Trust Central office. Tor View is a Special School which meets the needs of learners with Profound & Multiple, Severe and Moderate Learning Difficulties. Many of our children and young children and young people have associated cognitive, social-communication and physical difficulties such as Downs Syndrome, Autism and Cerebral Palsy.

Tor View school caters for learners from 4-19 and is comprised of Primary, Secondary and Further Education departments with an additional Intensive Support Centre; a specialised learning environment for students ranging from Key Stage 3 to Key Stage 5 who present with severe challenging conduct and autism, communication difficulties or high-level needs.

## Valley College At Ewood Campus Rossendale

Valley College was established in 2017 and opened as a recognised specialist post-16 institution (SPI) in September 2018. It is a wholly owned subsidiary of The Sea View Trust and provides pathways that are designed to meet the needs of a specific group of adult learners with learning difficulties and learning disabilities. Valley College is presently situated across two sites. Its Ewood Campus located at Tor View, has its own building and is separated (in most parts) from the main school. In addition to traditional teaching areas, there is a flat with lounge, kitchen, and bathroom facilities and these are used to support the students with their independent living skills. Valley College is also located at The Oracle in Blackpool, it includes a dedicated training room, office space and meeting room. In addition, the college has access to a fully functioning accessible gym, café area and dance/theatre space.

Students who are enrolled at Valley College have Educational Health Care Plans (EHCPs), identifying their specific needs and individual objectives. The vision for all the college learners is to equip them with skills to be fully included within their own local community.

The 3 current pathways for learning are all accredited and the college staff team has developed extensive work experience networks with local businesses and community organisations.

## The Oracle Sixth Form Centre Blackpool

The Oracle Sixth Form Centre provides a nurturing environment in a strong pastoral setting. It utilizes a holistic learning approach to maximize inclusivity and provides real opportunities for students to develop those all-important employability skills. The Sixth Form's mission is to provide students with outstanding teaching and learning that will prepare them for the start of their adult life.

Learners are encouraged to take part in a wide range of activities across and beyond the curriculum, contributing fully to the life of the college and their communities. Learners have the opportunity to reflect on their experiences and understand how they are developing personally and socially, tackling many of the spiritual, moral, social and cultural issues that are part of growing into adulthood.

The Trust values the contribution of its' skilled staff team and is supportive of Continual Professional Development opportunities. Funded opportunities are upon application and subject to business need.

## **Holiday**

The Trust recognises the importance of a good work-life balance and provide generous holiday entitlements for support staff (for those staff who are on a full year contract). This entitlement is in addition to any Bank or Public holidays. If you work part-time, your holiday entitlement will be pro-rated. There is a statutory closure period for all staff over the Christmas and New Year period.

## **Wellbeing and Occupational Health Services**

The Trust has an active Wellbeing focus and is continually considering collective opportunities for staff, together with addressing the agenda for 'workload reduction'. For individual staff, colleagues may be referred to our supportive Occupational Health services and be offered access to appropriate services (e.g., physio assessment, counselling services). All staff have access to the Employee Assistance Scheme (EAP). This is a free service for all our employees.

The Trust and each of its settings have signed up to the DfE Education Staff Wellbeing Charter which means that we will:

- Prioritise staff mental health
- Give staff the support they need to take responsibility for their own and others' wellbeing
- Give managers access to the tools and resources they need to support the wellbeing of those they line manage
- Establish a clear communications policy
- Give staff a voice in decision-making
- Drive down unnecessary workload
- Champion and enable flexible working
- Create a good behaviour culture
- Support staff to progress their careers
- Protect leader wellbeing and mental health
- Hold ourselves accountable, including by measuring staff wellbeing

## **Occupational Pay Policies**

Subject to qualifying periods, the Trust has both an occupational maternity pay policy and an occupational sick pay policy.

## **Cycle to Work Scheme**

The Trust's Cycle to Work scheme enables employees to purchase brand-new bicycles and cycling equipment via salary sacrifice, making tax and National Insurance savings.

### **Flexible and Family Friendly Policies**

The Trust understands that employment policies need to be flexible and responsive in order to promote diversity and equality, and to attract and retain the highest quality workforce. Our Flexible Working Policy provides an opportunity for employees to request (after a qualifying period) an arrangement such as a job share, a part-time role or flexibility with home working.

Such requests will always be considered fairly, whilst taking account of the needs of the employee, the post and the Trust.

The Trust is also very mindful of staff welfare and has policies in place to support staff, wherever possible, with leave for emergencies or for compassionate reasons.

# **Application Procedure**

Applicants are advised that, following shortlisting, successful candidates will be contacted with further details about the interview process.

### **Safer Recruitment**

The Sea View Trust is an equal opportunities employer and welcomes applications from all sectors of the community. We are committed to protecting our students and staff and therefore have a rigorous recruitment process that includes assessing candidates' suitability to work with children.

The settings within our Trust are committed to safeguarding and promoting the welfare of pupils and expect all staff and volunteers to share this commitment. All staff will be required to hold an enhanced DBS Disclosure. To ensure compliance with Safer Recruitment Guidelines, CVs will not be accepted.

### **Equal Opportunities**

At our Trust we believe that all individuals are of equal value and we are committed to equal opportunities for all.

All people who work and study in the Trust have the right to be respected and valued within a safe and secure environment and not to be discriminated against on the grounds of age, class, sex, race, disability, sexual orientation and religion or belief.

# Privacy Notice

## Job Applicant Privacy Notice

**Data Controller: The Sea View Trust T/A Devonshire Primary Academy**

**Data Protection Officer: Forbes Solicitors**

As part of any recruitment process, the Trust collects and processes personal data relating to job applicants. The Trust is committed to being transparent about how it collects and uses that data and to meeting its data protection obligations.

### What information does the Trust collect?

The Trust collects a range of information about you. This may include:

- your name, address and contact details, including email address and telephone number, date of birth and gender;
- the terms and conditions of your employment;
- details of your qualifications, skills, experience, and employment history, including start and end dates, with previous employers and with the Trust;
- information about your remuneration, including entitlement to benefits such as pensions or insurance cover;
- details of your bank account and national insurance number;
- information about your marital status, next of kin, dependents, and emergency contacts;
- information about your nationality and entitlement to work in the UK;
- information about your criminal record;
- details of your schedule (days of work and working hours) and attendance at work and details of periods of leave taken by you, including holiday, sickness absence, family leave, sabbaticals, and the reasons for the leave;
- details of any disciplinary or grievance procedures in which you have been involved, including any warnings issued to you and related correspondence;
- assessments of your performance, including appraisals, performance reviews and ratings, performance improvement plans and related correspondence;
- information about medical or health conditions, including whether or not you have a disability for which the Trust needs to make reasonable adjustments;
- equal opportunities monitoring information including information about your ethnic origin, sexual orientation and religion or belief.

The Trust may collect this information in a variety of ways. For example, data might be contained in application forms, obtained from your passport or other identity documents, or collected through interviews or other forms of assessment.

The Trust may also collect personal data about you from third parties, such as references supplied by former employers, information from employment background check providers and information from criminal records checks. The Trust may seek information e.g., references from third parties before a job offer to you has been made.

Data will be stored in a range of various places, including on your application record, in HR management systems and on other IT systems including the Trust's email system.

### **Why does the Trust process personal data?**

The Trust needs to process data to take steps at your request prior to entering into a contract with you. It may also need to process your data to enter into a contract with you. In some cases, the Trust needs to process data to ensure that it is complying with its legal obligations. For example, it is required to check a successful applicant's eligibility to work in the UK before employment starts.

The Trust has a legitimate interest in processing personal data during the recruitment process and for keeping records of the process. Processing data from job applicants allows the Trust to manage the recruitment process, assess and confirm a candidate's suitability for employment and decide to whom to offer a job. The Trust may also need to process data from job applicants to respond to and defend against legal claims.

The Trust may process special categories of data, such as information about ethnic origin, sexual orientation or religion or belief, to monitor recruitment statistics. It may also collect information about whether or not applicants are disabled to make reasonable adjustments for candidates who have a disability. The Trust processes such information to carry out its obligations and exercise specific rights in relation to employment.

As you will be working with children if successfully appointed, the Trust is obliged to seek information about criminal convictions and offences. Where the Trust seeks this information, it does so because it is necessary for it to carry out its obligations and exercise specific rights in relation to employment.

The Trust will not use your data for any purpose other than recruitment exercise for which you have applied.

If your application is unsuccessful, the Trust will keep your personal data on file for six months from the application closing date in case there are future employment opportunities for which you may be suited. You are free to withdraw your consent for The Trust to keep your data for this purpose at any time and should do so in writing directly to The Sea View Trust.

### **Who has access to data?**

Your information may be shared internally for the purposes of the recruitment exercise. This includes members of the recruitment team, interviewers involved in the recruitment process and managers in the area with a vacancy.

The Trust may collect personal data about you from third parties, such as references supplied by former employers, information from employment background check providers and information from criminal records checks. The Trust may seek information e.g., references from third parties before a job offer to you has been made.

Once offered a conditional job offer, The Trust will share your data with other third parties for the purpose of running necessary background checks, as well as with the Disclosure and Barring Service to obtain necessary criminal records checks. The Trust will not transfer your data outside the European Economic Area.

#### **How does the Trust protect data?**

The Trust takes the security of your data seriously. It has internal policies and controls in place to ensure that your data is not lost, accidentally destroyed, misused, or disclosed, and is not accessed except by our employees in the proper performance of their duties.

#### **For how long does the Trust keep data?**

If your application for employment is unsuccessful, the Trust will hold your data on file for 6 months after the end of the relevant recruitment process. At the end of that period, or once you withdraw your consent, your data is deleted or destroyed.

If your application for employment is successful, personal data gathered during the recruitment process will be transferred to your personnel file and retained during your employment, this will be in accordance with the records retention policy.

#### **Your Rights**

As a data subject, you have several rights. You can:

- access and obtain a copy of your data on request;
- require the Trust to change incorrect or incomplete data;
- require the Trust to delete or stop processing your data, for example where the data is no longer necessary for the purposes of processing;
- object to the processing of your data where the Trust is relying on its legitimate interests as the legal ground for processing.

If you would like to exercise any of these rights, please contact the Trust Chief Operating Officer (COO), at [trustoffice@theviewtrust.org](mailto:trustoffice@theviewtrust.org)

If you believe that the Trust has not complied with your data protection rights, you can complain to the Information Commissioner.

#### **What if you do not provide personal data?**

You are under no statutory or contractual obligation to provide data to the Trust during the recruitment process. However, if you do not provide the information, the Trust may not be able to process your application properly, or at all.

#### **Declaration Confirmation**

In line with the **Data Protection Act 1998**, in confirming the declaration you agree to us disclosing information such as your name to the Job Centre and New Deal participants for statistical purposes, this information will not be retained or processed for any other purpose.

Once the recruitment process is completed the hard copy data will be kept for 6 months. We have a duty to protect public funds and may use this information to prevent and detect fraud. We may also share this information, for the same purposes, with other organisations that handle public funds.
